

Today we are looking at **Acts Chapter 9 v 20 - 43** and our big '**SERMON WORD**' is in verse 31: '**multiplied**', In our passage there are lots of **PEOPLE, PLACES** and **TIME** that goes by. Right near the beginning, Saul had to escape from a place called \_\_\_\_\_ by being lowered from a high wall in a \_\_\_\_\_ because some people wanted to \_\_\_\_\_ him! **Wow that was scary!** Can you draw what happened in the box below?

Can you unscramble these **PEOPLE** who are in today's story?

**LASU** \_\_\_\_\_

what was he doing in v20? \_\_\_\_\_

**ERTPE** \_\_\_\_\_

what was he doing in v40? \_\_\_\_\_

**SEANEA** \_\_\_\_\_

what was wrong with him v33? \_\_\_\_\_

**HABITAT** \_\_\_\_\_

what was her other name? v36 \_\_\_\_\_

If you listen carefully this morning you will be able to write the **PLACE** (Gal 1v17) that Saul went to for some **TIME** before he came back to Damascus: \_\_\_\_\_

And you will find out where Saul went to live (v30) for a longer **TIME** (8 years) before he comes into the story of Acts again.

Write that place in here: \_\_\_\_\_

**Well done for completing this sheet !**
