

### Today we are looking at Acts 17 v 14 – 34

Hi everyone! Isn't this an amazing picture of the ancient part of the City of Athens! You can travel there today and see where the Apostle Paul stood when he was speaking to people in the year 51AD.

How many years ago is that – can you work it out?  Years

One lady from the church who I know very well has been there – can you guess who?

When Paul arrived in Athens, he was waiting for \_\_\_\_\_ and \_\_\_\_\_ to come and join him but he got really concerned because he saw so many \_\_\_\_\_ (v16)

As well as going to the synagogue to speak to Jews, he went to the

\_\_\_\_\_ (v17) & he preached there about \_\_\_\_\_ and \_\_\_\_\_ (v18)

There are some ancient Greek words in the Bible verses we are looking at today. Listen very carefully to the message as it is preached by David this morning & join the right things up by drawing a line from the list on the left to the one on the right.

- Areopagus                      a lady who came to know God
- Dionysius                     people who lived in the city
- Epicureans                    people who loved to talk about ideas
- Stoics                            he became a Christian in Athens
- Philosophers                 people who lived for fun & pleasure
- Athenians                      people who lived very serious lives
- Damaris                        sometimes called Mars Hill

In v25 Paul tells everyone listening that God gives us \_\_\_\_\_ , \_\_\_\_\_ and \_\_\_\_\_

He also told them in v31 that God would \_\_\_\_\_ the \_\_\_\_\_ . He wanted them to hear about \_\_\_\_\_ Jesus and become Christians before it was too late.

**Do you know Jesus is your Saviour? – I hope so**
