A sad goodbye at Miletus: Acts 20 v 17 - 38

I hope you have kept your '**Learning Together**' sheet from last week!

Paul was on his way to _____

Why were the Elders from the church in Ephesus so sad about that?

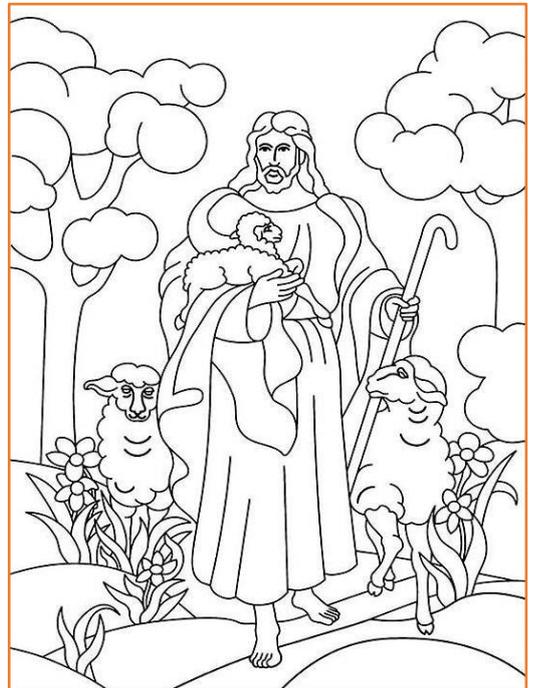

(It tells us in two places: v25 & v38)
Because of coronavirus it is sad when you can't see your friends properly - but it is great to be able to use Zoom!

In all his time in Ephesus, Paul had preached the gospel faithfully to all the people who were _____ and _____. He told everyone that _____ towards _____ and _____ towards the _____ were

absolutely necessary to become a Christian (v21). When people become Christians and join a church, the Elders have a special job to do to care for them.

It is like a _____ looking after a _____ of _____ !

Write down some of the things that actual shepherds do for their sheep - while you are thinking, you could colour in the picture!

Paul tells the Elders to watch out because some people who don't like Christians are like scary animals! Can you write down which ones? (look at v29 to find out).

Being an Elder (*a shepherd of Christians!*) is a very important job so pray for the Elders at Castlefields because they need lots of help from "*The Good Shepherd*" - who is that?

Well done for completing this sheet ! 🍌
