

A sad goodbye at Miletus: Acts 20 v 17 - 38

Paul was on his way back to Jerusalem from being on his long journey. He did not have time to stop at Ephesus but before he left Miletus he sent for the leaders of the church to come to see him one last time. The leaders of a church are called:

At Castlefields Church there are three.
Who are they?

P _____ , **D** _____
and **R** _____

Paul had spent 2 / 3 / 5 / 10 years at Ephesus (put a ring round which number is correct - v31)

He had worked really hard there – Who for? (See v19) _____

He had taught the _____ of God (v27).

Where can we find that today?	How many pages does yours have?
<i>There is lots to learn isn't there!</i>	

Sometimes while he was in Ephesus he had been sad. How do we know? (See v 19)

But he told them that his life was like being like in a _____
and he wanted to finish it with _____ (v24)

Paul always wanted to do his best for Jesus. Why do you think that was?

The Elders had to travel a long way (like a walk to Leicester!). Paul wanted to tell them what they were to do now that they would not see him again. It must have been very important! What sort of things do Elders do? Can you think of some and write them here.
