

Acts chap 27 – Shipwreck!

What an amazing chapter!!

Here is a little picture of the ship that was taking Paul to Rome. On the right you can see him swimming to the shore with others. The ship is getting smashed to pieces by the waves!

Draw & colour a much bigger picture of the ship sinking in the storm

Listen carefully this morning so you can unscramble these letters & words

FO NLROCOT HET NI

MTSRO OGD SI

The second part of v44 is a wonderful statement – can you write it here?

How many people in total were saved from drowning that day?

Well done for completing this sheet !
