

There are some words to find & to colour today as we learn from Psalm 18 v 36 - 50

As David comes to the end of this Psalm, he reminds us of three very wonderful things about

## our 'Deliverer'

### 1. We have the Victory over our enemy!

We are not in a fight with another country or other people! Our great enemy is the \_\_\_\_\_ .  
He loves to see us \_\_\_\_\_ and is always tempting us to think and do and say bad things.

In v39 David says that his Deliverer has...

“ \_\_\_\_\_ me with \_\_\_\_\_ for the \_\_\_\_\_ ”

**Jesus** is our *Deliverer*, our *Saviour* and *Rescuer* and because of Jesus dying on the cross & rising again...

### 2. We have the Triumph at the end of our lives

David tell us in v 43 that he became the \_\_\_\_\_ of the \_\_\_\_\_ that were around him in the days when he was King. When Jesus comes again to reign at the end of the world, [Philippians 2 v 10](#) tells us that **every** \_\_\_\_\_ shall bow down to Him – people in heaven, on earth, & even in hell (in that verse it says “*under the earth*”).

### 3. Our Deliverer deserves all of our Praise

In v49 David tells us that he is going to do two things – what are they?

1.

2.

If Jesus is our *Deliverer*, they are two things that we should do too!

Well done for completing this sheet ! 🍌
